Vidéo - What are the Dyslexic M I N D Strengths - NoticeAbility

<https://youtu.be/f8ijgzZCjjw?t=21>

In this video, NoticeAbility's Founder & Executive Dyslexia describes the cognitive assets of dyslexia. This video, designed for students 10-15 years old, is featured in each of NoticeAbility's curricula (Entrepreneurs & Innovators, Engineering & Architecture, and Consenses Arts). These assets, outlined in Drs. Brock and Fernette Eide's *The Dyslexic Advantage: Unlocking the Hidden Potential of the Dyslexic Brain*, are the cornerstone of NoticeAbility's pedagogy. To access the worksheet and notes mentioned in this video, please email support@noticeability.org or visit <http://www.noticeability.org> to learn more.

Le livre consacre un chapitre pour chacune de ces forces et pour chacune d'elle, il traite :

- Des forces du type de raisonnement (ex . The « M » strengths in MIND)
- Les avantages
- Les défis (Trades-offs)
- La force en action
- Points à retenir

- Dans chaque chapitre, il y a de nombreux exemples concrets de personnes qui réussissent et mettent à profit leurs forces dyslexiques.

Mettre à profit l'avantage dyslexique pp. 169- (Putting the Dyslexic Advantage to Use)

- Lecture
- Écriture
- Bien démarrer – niveaux élémentaires et intermédiaires
- S'épanouir au secondaire et au collège (post-secondaire)
- S'épanouir au travail
