

The poster features a central title 'DYSLEXIC MIND STRENGTHS' in large, bold, orange letters. Above the title is a white banner with various icons: a hot air balloon, a target, a brain, a rocket, a lightbulb, a clock, and a molecular structure. Below the title are four main sections, each with a color-coded background and a list of careers on the left. Each section includes a definition of the strength and three icons representing different aspects of that strength.
